contaminate water**

# KLINPLA WARA

An illustration for a water safety poster. At the top, a large blue sun is partially obscured by a blue circular shape. Below it, the text 'KLINPLA WARA' is written in white. In the middle ground, a black silhouette of a water tap is shown dripping two water droplets into a blue pool. To the left of the tap, there is a black silhouette of a water jug and a smaller black silhouette of a bottle. The background features green grass, a brown tree trunk on the right, and green hills. The bottom of the image is dominated by a blue pool with white text. The foreground is decorated with various green plants, including ferns and a large green leaf.

**Regularly clean your  
water points and  
containers**
